For all of your furniture requirements.

With over 38 years' experience we can supply any aspect of function furniture. Including folding tables, dry bars, barstools, bar tables, stanchions, folding stages and banquet chairs.

French Designed Regal Banquet Chair.

We have done a bulk buy from a French company for a container of European certified banquet or function chairs.

These chairs are manufactured to strict European standards, incorporating high density fire retardant moulded seat and back foams.

The fabric is commercially rated and tested to high standard: BS5852 UK standards.

Majority of banquet chairs use standard foams and fabrics which over a period of time foams may collapse and causes the fabric to become loose, wearing easily.

Stacks 12-14 high, minimising storage space required.

Stock arriving in 2 weeks.

Normally this level of chair would sell for \$90+ GST.

Special \$55.00 + GST
