# SEE OUR BRAND

For over 38 years Robinson Group has been a global leader in commercial furniture components to the Australian market with over 1,000,000 chairs sold in the WA market alone.

Our huge range incorporates furniture from over 200 factories world-wide, combined with items we manufacture locally.

Our flexibility and experience means we can custom manufacture items to suit your specific requirements, application or specification.

The majority of our products are made in ISO certified factories and are all Fully Compliant for BIA standards.

All products carry a commercial warranty.
